Kiwanis
is a global organization of volunteers dedicated to changing the world, one child and one community at a time.

The Objects of Kiwanis:

✦ To give primacy to the human and spiritual, rather than to the material values of life.

✦ To encourage the daily living of the Golden Rule in all human relationships.

✦ To promote the adoption and the application of higher social, business, and professional standards.

✦ To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.

✦ To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.

✦ To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and goodwill.
