PREZ report - Stars of Tomorrow activities have officially begun. Applications/auditions info. is on the web site under projects. Let anyone you know who has potential entrants know.

For the fund raising, please note that the beginning sponsorship amount to be included in the program is \$30 this year. [The entire county is open for getting sponsors as all children in the county can apply and participate.](#) We have had some from Firestone, Johnstown, Severance, Windsor, etc., and some of the businesses might be happy to be sponsors. As you have probably noticed, our goal this year is aggressive, but if you think about it, if each of us sold just two display business card/in memory ads, that would bring in over \$23,000 – not unrealistic. This year, we are trying something new with the awards for the winners of each category in the

show. A big thanx goes to Skip Carlson for sponsoring the \$500 elementary award, and I have committed to sponsoring the \$750 middle school award. The high school scholarship may be a little more difficult at \$2,000. If anyone who has sponsor contacts thinks any of them might have an interest in that sponsorship, let them know that they will be acknowledged in our newspaper ads, will get a bigger ad in the program, and will present a certificate to the winners at the actual program. If you get a high school sponsor, let me know asap, and I will get the word out to stop looking.

I hope you saw the short Stars article I wrote in the November, 30 2017 Tribune, page two. I want recognize Chad Kuskie for getting the article to the correct people for publishing. Thanx, Chad.

On December 14, we will be passing around the thank you tip can for our Kenny’s crew again in case you didn’t get to give last week. Thanx so much for your support.
