Presidents Report:

¼ of the year is in the rear view mirror, how is that possible. Kiwanians have accomplished so much in these first 90 days. Each time a meeting is held or a volunteer project is completed, fundraising in the community is a step closer to helping kiddos in our community. We may be small but are mighty. Speaking of small we all know someone that would be an asset to our Kiwanis Club, be the one to make the ask. Just like the clocks we can spring forward and increase our membership, take a look around it may surprise you. Everyone's efforts are greatly appreciated, we can certainly celebrate that our club members contributed at 100%, first time ever. The STARS show was a huge success, thanks to everyone who volunteered to make the event a night to remember especially for the winners!! Awesome job!!!! Let's keep it going!!!!
