NEW PROJECT UPDATE

Kiwanis Helping support a foster mom

Johanna is a single mom of 3 children, ages 15, 6 and 4, 2 girls and a boy. About nine months ago she also became the foster mom for her sister’s 3 children 5, 2 and 7 months, 2 girls and a boy. Johanna was working from home when she lost her job due to complaints of too much noise in the background.

Helping to support someone who is willing to be a foster parent is where we come in. Johanna has the responsibility of taking the 3 foster children to their therapy sessions as well as other court ordered appointments. This takes a lot of her time.

16 meals have been delivered so far, THANK YOU to our awesome Kiwanis Team for helping out this young foster mom.

So we as Kiwanians can order a meal, pay for it and have it delivered at 7pm to her at 3038 17th Ave Apt B or you can drop it off yourself.

Margie has visited with Johanna on a regular basis, She has thoroughly enjoyed having those nights off from cooking and appreciates all that is done for her.
